

# A Canadian High School for International Students

Affordable • World Class • Safe

## Introducing ursa Global online

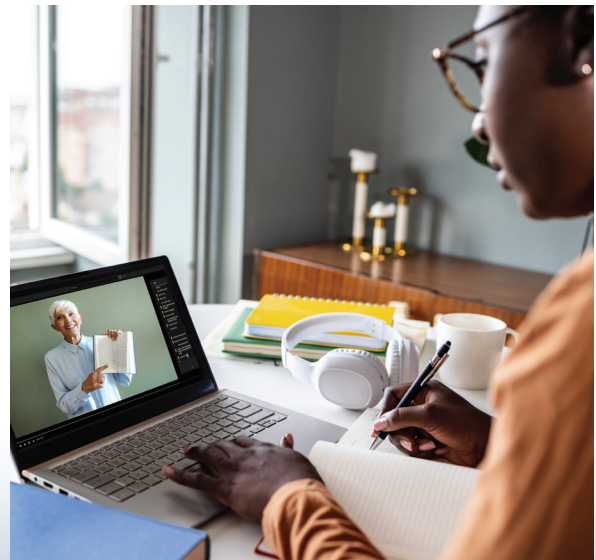

“Our vision is student success. The future of global education is online and hybrid programming. We offer affordable, world class, and safe education choices for international students to achieve their educational goals. Our Canada Select programs are tailored to meet your student’s specific needs while following Canada’s highest standards. It’s virtual online education, your student’s way.”

**Sunil Mattu, Head of Schools**

## Why ursa Global Online?

For an affordable, world class, and safe online junior/senior high school program from your home country.

- Cost effective solution with no visa, travel, or boarding expenses required.
- A member of the Third Schools family, an independent school system established in 1997.
- Dual accreditation: Alberta Education, Canada and COGNIA, USA.
- The OECD Programme for International Student Assessment (PISA) consistently ranks Alberta Education in the top 5 for education quality globally.
- Our highly qualified online teachers are subject matter experts and Alberta Education certificated.
- Wide range of programs including achievement of an Alberta High School Diploma and pathways to top universities and colleges in Canada and worldwide.

## What does an ursa Global Online classroom look like?

A dynamic learning environment via live Zoom classes and the CANVAS Learning Management System.

- Classes are live and real time.
- Classes are also recorded so you can 'revisit' for studying or 'catch up' in case you missed the class.
- Small classes - maximum 20 students - means personalized attention and support.
- Fixed weekly timetable ensures consistent scheduling and structured learning.
- Easy access to materials with teacher support provides ultimate flexibility for self-directed students.
- Teacher access for weekly tutorials.
- English language instruction with local language support.
- International student body for global connections.

## Canada Select - Afterschool

English and Math courses - Grades 7-10

Our Afterschool program follows the Alberta curriculum while your child attends classes at their local school during the day.

One course per semester with a time commitment of five hours per school week.

**Semester 1:** September to January; **Semester 2:** February to June.

Supports English language development and ensures a solid Math foundation to achieve the Alberta High School diploma in the following academic years.

## What is the tuition?

Our tuition for Canada Select - Afterschool is \$1,250 USD.
